Healthy Old Age Brings Happiness

Simple Remedy Promotes Health
By Overcoming Tendency
to Constipation.

Advancing years impair the action of the vital organs. Old age should be the period of greatest happiness, but good health is necessary. Constipation should not be tolerated—it is often the direct cause of ill health.

Headache, belching, biliousness, bloating, drowsiness after eating and other symptoms of constipation can be readily relieved by the use of a simple laxative compound sold in drug stores under the name of Dr. Caldwell's Syrup Pepsin. Mr. J. H. Bristol, 1412 Geddes Ave., Ann Arbor, Mich., who is 83 years old, says "Dr. Caldwell's Syrup Pepsin is the best remedy I ever used for constipation and I always have a bottle of it in the house to use when I feel the need of it; it never disappoints."

Dr. Caldwell's Syrup Pepsin is a mild laxative preparation, positive in its effect, acting easily and naturally without gripping or other pain or discomfort. For over a quarter of a century it has been the standard household remedy in thousands of

homes. Druggists everywhere sell it for fifty cents a bottle. A trial bottle of Dr. Caldwell's Syrup Pepsin can be obtained free of charge by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Illinois.

WEST VIRGINIA TAKES PART IN CAPITAL NEWS

Events of Washington, D. C.,
Are Reported by Telegram's
Correspondent There.

(SPECIAL CORRESPONDENCE)
WASHINGTON, D. C., Oct. 22.—The Supreme Council of the Scottish Rite Masons for the southern district is still in session at their newly dedicated temple in Sixteenth street, with good prospects of continuing in session into next week. The large crowd which came for the dedication, however, has, for the most part, thinned out.

It is estimated that there were about thirty-five here from West Virginia, among that number being the following: Charles Schultz, O. W. Burdette, W. W. Irwin, Thomas J. Walther and E. W. Harrison, of Wheeling; H. L. Manning, Elkins; Herbert Echols, Mannington; K. D. Walker, Fairmont; E. L. Showalter and T. W. Hennen, Fairmont; L. C. Heslett, of Henry; David Thonen, Sistersville; J. C. Mitchell, Weston; Luther W. Blaney, Wheeling; J. M. Crouch and William Nusbaum, Clarksburg; A. L. Lohm, Clarksburg; Dr. R. W. Dunham, Bemis; Carl Sobansky and J. E. McCausland, Wheeling; F. E. Nichols, Fairmont; Frank Nicholson, Bridgeport; H. A. Oberman and Henry Shannon, Wheeling; K. C. Brashear, Wellsburg; E. F. Schofield, C. H. Lahey, G. C. Crook, H. P. Lensz, Wheeling; O. W. Elitch, C. W. Lane, I. P. Woodruff, Wheeling; Frank W. Van Horn, Martinsburg; Odrian Nadenbusch, Martinsburg.

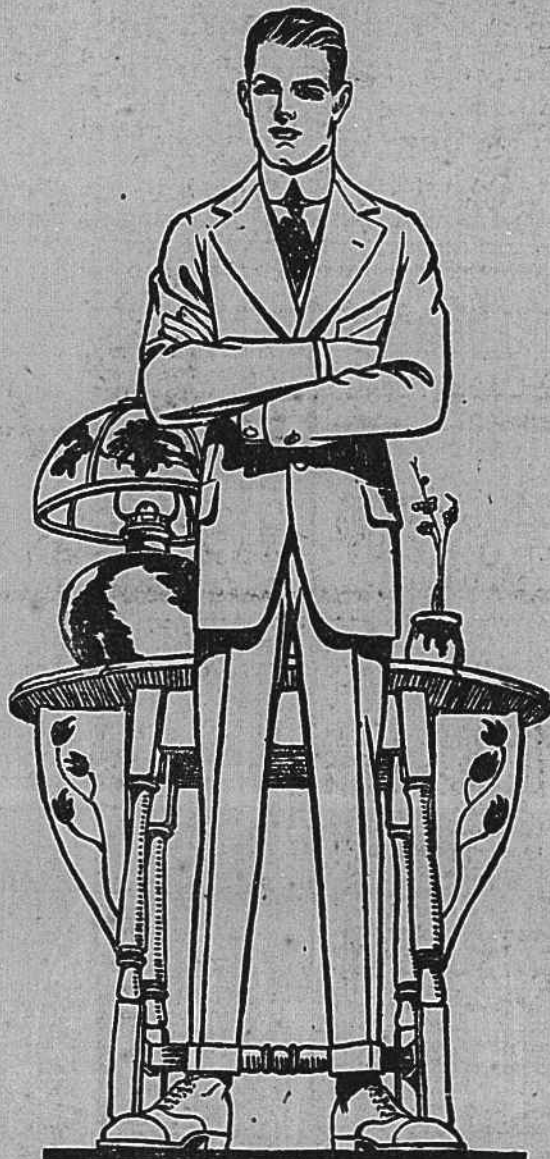

John W. Norris, of Wheeling, treasurer general, is still here and in attendance at every session of the supreme council. He is a very busy man, and will probably remain in Washington for fully a week or ten days longer looking after the many important business duties which devolve on him by reason of the high position he holds.

George C. McIntosh, publicity disseminator (nee press agent) for the high volatile coal operators in West Virginia and other operators not so volatilely high and their main and subsidiary organizations, was a distinguished caller in the capital this week.

There are not many West Virginia postmasters here attending the annual convention of the postmasters of the first and second class, whose na-

That is what many of you have learned—especially when you have listened to the arguments of sellers of cheap instruments—some are still getting it, but when they have had their fill they generally go to a reliable firm and get a reliable instrument.

This is a word to the wise. Will you heed it? If so, let us show you the difference.

On October 31 the postoffice at Elm Grove, Ohio county, will be discontinued as an independent office and on November 1 there will be a branch of the Wheeling office there. The branch will be at the site of the present office and will have all facilities for the transaction of money order, registry and parcel post business, the sale of postal supplies, and the receipt and dispatch of mail.

Brabant is the name given to a new postoffice established in Wayne county with Albert J. Fraher in charge. A commission as postmaster at English has been issued to William C. Deppen. This is a McDowell county fourth class office.

ASTRONOMY

Is Subject of Much Study in London as Result of Zeppelin Raids.

LONDON, Oct. 22.—Since Zeppelin raids have become more the rule than the exception in London and environs, there has been a marked increase in public interest in astronomy. Just now the newspapers are filled with discussions directly or indirectly about the fact that Londoners have acquired the habit of star gazing in the hope of sighting hostile air craft. Toward 11 o'clock at night, the usual "Zep time," perhaps a third of London looks skyward.

A few nights after the big raid the planet Jupiter, seemingly rising in an unaccustomed place, was mistaken for a Zeppelin searchlight. Perhaps a dozen persons made the discovery. Since then several newspaper articles have appeared giving Jupiter a clean bill of health.

"The Net of Deceit," a new three-act Broadway favorite production by the Kalem Company, shows the planting and discharging of a submarine mine.

Bothered by Catarrh, Bronchitis, Asthma, Head or Chest Colds?

Try the "Vap-O-Rub" Treatment—Relieves by Inhalation and Absorption. No Stomach Dosing.

No need to disturb your stomach with internal medicines for these troubles. Vick's "Vap-O-Rub" Salve, combines by a special process—Menthol, Thymol, Eucalyptol, Camphor and Pine Tar, so that when applied to the heat of the body, these ingredients are released in the form of vapors. These soothing, medicated vapors are in-

haled all night long through the air passages to the lungs, loosening the phlegm, soothing the inflamed membrane, and aiding the body cells to drive out the invading germs.

In addition, Vick's is absorbed through the pores, reducing the inflammation and taking out that tightness and soreness. 25c, 50c, or \$1.00. At all druggists.
